

South Honors 'Best' Cross Country Team

Coach Richard Scully of South High School has awarded varsity letters to 10 members of the school's "most successful team in its history."

Float Decorations

Pastor Will Head Float Decorations

The Rev. T. C. Walberg, pastor of the Congregational Church of Christ of Redondo Beach, has been named decorations chairman for the beach city's float in the 1965 Tournament of Roses parade.

General chairman for the float committees, sponsored by the Redondo Beach Chamber of Commerce, is David K. Hayward, a city councilman.

The Rev. Walberg said volunteers will work for five days and nights to decorate the float. The volunteers will work in shifts, with about 25 persons on each shift.

A past director of the Chamber, the Rev. Walberg has been pastor of the Redondo Beach church for 17 years. He also is president of the Cup of Cold Water Ministry, Inc., headquartered in Hermosa Beach.

Lettermen are Wes Fox, captain, Lenny Jay, Jeff Marsee, Mike Mooring, Dick Franklin Russ Bell, George Hallewell, Steve Edwards, Paul Kaplan, and Steve Kaplan.

Scully announced the most inspirational member of the team had been Jeff Marsee and the most valuable was Wes Fox.

The co-captains for the 1965 season will be Lenny Jay and Mike Mooring.

To highlight the season, Captain Wes Fox set three course records and went undefeated in league races with teammate Lenny Jay "pushing" Fox in several races. The varsity posted a record of nine wins against one loss in league competition. The team also won the Long Beach Invitational, placed second in the Mount San Antonio College Invitational (largest meet west of the Mississippi), took first place in the Bay League finals and second in the C.I.F. preliminary.

The junior varsity posted a record of eight wins against two losses. They also placed fourth in the Long Beach Invitational, gained a third place in the Mount San Antonio Invitational and took fourth place in the Bay League finals.

The novice division was 8-2 in the league, placing third in the Mount San Antonio Invitational and first in the Bay League finals.

In commenting on this year's season, Scully said, "I was very pleased with the team and individual efforts of the cross country team. It is a pleasure to work with a group of boys as dedicated as this team has been. I am sorry to see the season end."

... Hospital

(Continued from A-1)

the doctors would be proud to say they served in the same hospital in which Dr. Carlson received his training. History rarely records such a noble sacrifice."

RATHER THAN rename the entire hospital, the attending staff association suggested that a new research wing be constructed at Harbor General Hospital as a memorial to Dr. Carlson.

Dr. Brayton said the name change was opposed because it would "fail to add to our institution any new and tangible monument to Dr. Carlson's memory, and... might destroy the traditions and reputation which as a result of 18 years of work have come to be associated with the name Harbor General Hospital."

Rescinding its previous action, the Board of Supervisors referred the entire matter to Supervisor Hahn and the Hospital Advisory Commission.

Hahn said "a prophet is without honor in his own country" and he was sorry the doctors who served with Dr. Carlson could not understand what a fitting memorial renaming the hospital would have been.

USE DOUBLE SIGNALS

To be extra safe during the holiday season, why not be doubly communicative suggests the Automobile Club of Southern California. When making turns, use your arm signals as well as your turn indicator blinking lights.

In Lomita

Name New

Director Of Parks

Mrs. William Hassoldt, 4025 Bluff St., Torrance, will continue her work at Lomita Park next year but she'll be getting her paycheck from the City of Lomita.

Mrs. Hassoldt has been named park director by the new city, effective when the county turns the park over to Lomita Jan. 1. A public hearing on the transfer was held Thursday.

The new park director has worked at Lomita Park since 1961. She was one of 25 applicants for the post and was selected on the basis of an interview.

The interview board included Harry Van Bellehem, director of recreation for Torrance; Robert Van Antwerp, assistant recreation director of Long Beach, and David Gray, assistant professor of physical education at California State College at Long Beach.

Formal approval of the new director was voted by the city council Monday evening.
